EDUCATION

Florida International University

Bachelor of Science in Computer Science, GPA: 4.00

Expected May 2027

EXPERIENCE

Tech Fellow, CodePath

Jul 2025 – Present

- Facilitated web development learning by tailoring content to diverse learners and simplifying complex concepts—driving a **30%** increase in student tech job placements

Software Engineer Intern, Miami HEAT

May 2025

- Redesigned and optimized the UI/UX of a **\$50M+ CRM** ticketing dashboard, improving usability for **10,000+ seat renewals** while collaborating cross-functionally with engineers, PMs, and business stakeholders in Agile sprints to deliver user-centered solutions
- Developed and iterated **Figma** prototypes and implemented **front-end** in **React + TypeScript**, creating a maintainable and user-friendly dashboard interface

Graphic Design Intern, The CuCompany

Jul 2023 – Aug 2023

- Designed **daily social media** content using **Adobe Photoshop**, boosting engagement
- Generated **data-driven** social media **reports**, providing insights on growth and marketing impact

PROJECTS

[Go Transit Mobile App Redesign Case Study](#)

Jul – Aug 2025

- Conducted research including **25+ reviews**, **7 interviews**, and **5 surveys**; created personas, affinity maps, and competitive + SWOT analyses to uncover key usability pain points
- Developed **wireframes** and **high-fidelity prototypes** that optimized navigation, standardized visual system, and streamlined pass integration—enhancing accessibility and reducing user time-to-task

[Miami Arts Studio Website Redesign](#)

Jun – Jul 2025

- Introduced **admissions journey** and conducted a **60+ user survey** to inform UX improvements; launched Wix site features, including an **online shop** projected to generate revenue.

[PlateltForward Case Study](#), CodePath x Amazon Next Challenge

May 2025

- Led end-to-end UX design for a student app addressing food waste, conducting **user research**, creating **personas and journey maps**, and iterating **animated** Figma prototypes with Amazon UX feedback to refine usability and ensure alignment with project goals

LEADERSHIP & SKILLS

Creative Director, INIT FIU

Jan 2025 – Present

- Designed website UI, marketing assets, and branded merchandise for [ShellHacks](#)—Florida's largest hackathon with **1,400+** participants, enhancing brand visibility and engagement
- Led visual branding for FlagOps, a new student-led CTF competition, attracting **40+** participants

Technical Skills: Figma, FigJam, Adobe Photoshop & Illustrator, React, HTML, CSS, JavaScript, TypeScript, Tailwind CSS, Framer Motion, Unity, Blender, Azure DevOps

Certifications: Adobe Professional in Visual Design using Photoshop and Illustrator

Languages: Proficiency in English and Spanish
